

"Benny the Bunny's Busy Day"

The sun is up, it's time to play,
Benny the Bunny hops away.

He sees a flower, big and bright,
He sniffs it once—what a delight!

A buzzing bee goes flying past,
Benny giggles, “You’re so fast”!

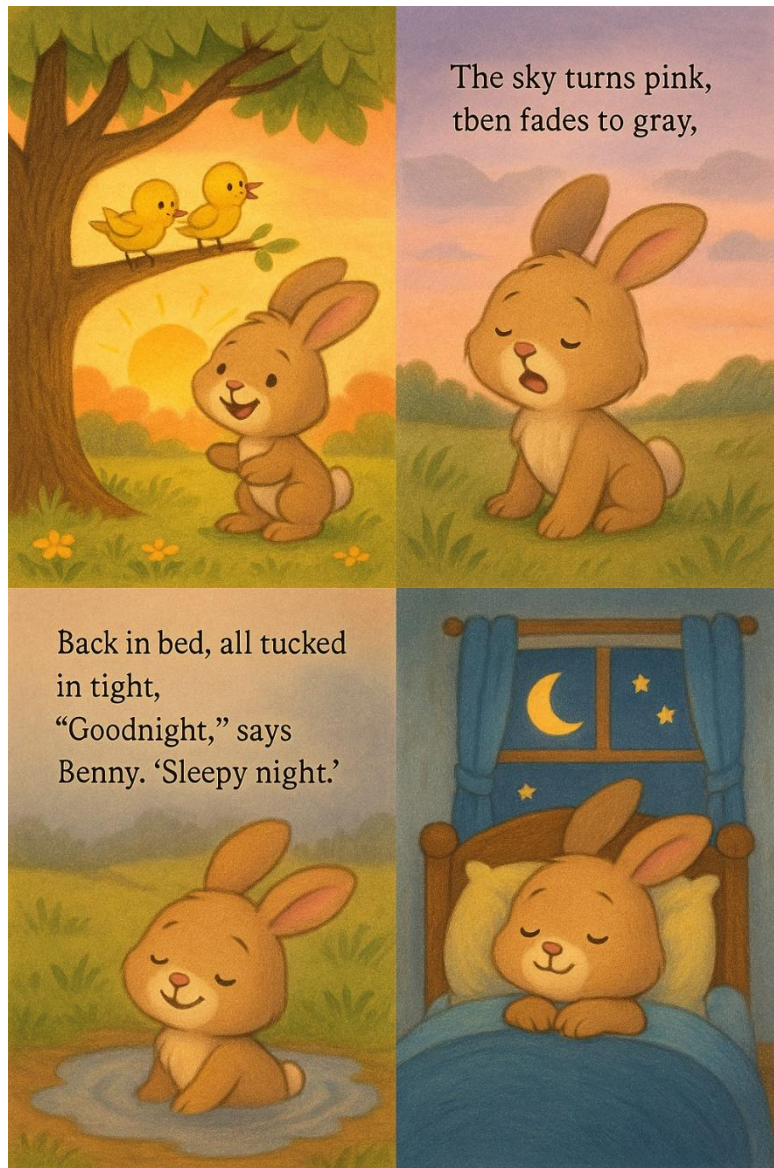

He jumps in puddles, one-two-three,
“Splish-splash-splosh!” says Benny with glee.

A butterfly lands on his nose,
It tickles gently—off it goes!

Under a tree, he finds a treat,
A shiny apple, red and sweet!

Birds are singing in the tree,
“Tweet-tweet-tweet! Come sing with me”!

The sky turns pink, then fades to gray,
Benny yawns, it's been a day.

Back in bed, all tucked in tight,
“Goodnight,” says Benny. “Sleepy night.”
